TOWN OF AURORA MESSAGE FROM THE MAYOR

Mayor Tom Mrakas

On behalf of the Town of Aurora, I want to welcome you to our beautiful town!

Aurora, just 30 minutes north of Toronto, prides itself for combining small-town charm with big city amenities. While you're here, visit our historic downtown to shop at one of our specialty shops or grab a bite to eat at one of our fantastic restaurants. I'm also happy to share that in 2023, we're set to officially open Aurora Town Square, a dynamic arts and culture hub in the heart of our downtown.

Aurora Town Square will host world-class live performances, feature a lively outdoor square with skating in the winter, and will be the new home of the Aurora Museum and Archives and the Aurora Cultural Centre. Our downtown is truly emerging as one of the gems of the GTA.

While you're here, I also encourage you to take advantage of the amazing recreational amenities at your fingertips. We have more than 450 hectares of parkland, top-notch community centres, and 62 kilometres of multi-use trails that can take you across the entire town. I know you'll be enchanted by our beautiful natural spaces and our love of recreation and the outdoors.

If you ask most Aurorans what it is that truly sets us apart, many would tell you it's our community pride and how we embrace diversity and culture. And that's on full display at our award-winning events and festivals, which have been recognized by Festivals and Events Ontario as being some of the best in the province. From our iconic Ribfest, Multicultural Festival and Concerts in the Park, to Haunted Forest and our Santa Claus Parade, you and your family will have a fantastic time.

Enjoy your time in Aurora, and we hope to see you back again soon.

Sincerely,

Mayor Tom Mrakas

EXPLORE AURORA!

Small-town charm, big city amenities

Aurora prides itself for combining small-town charm with big-city amenities. Residents and visitors enjoy a vibrant arts and culture scene, expansive trail system, and some of the best dining experiences in the area.

Get out and socialize

Part of what makes our town one of the best places to live is our strong sense of community. Join us for one of our award-winning special events and you'll quickly see just what we're talking about. Whether it's a relaxing evening out at our annual Concerts in the Park series, a scare at Aurora's Haunted Forest, or a picturesque stroll under the lights at our outdoor Christmas Market, there is a sense of togetherness that is sure to feed your soul.

Have an unforgettable dining experience

Looking to have an evening out? Plan to stay local! Historic downtown Aurora is undergoing a revitalization. At its core is a state of the art Performing Arts Centre and outdoor square. Set to open in 2023, we are seeing more and more new independently-owned restaurants settling in the area. These local restaurants offer unique culinary experiences that you will not find anywhere else. One in particular is The Armoury, home to Niagara College's Food and Wine Institute. Located in a former military drill shed, their offerings include tasting dinners, chef's table dinners, culinary classes, and beverage education.

Take to the trails

Aurora's 62 km of protected trails make it easy to get around and connect to neighbourhood parks, Town facilities and green spaces. Some of Ontario's best hiking trails and nature trails are in and around Aurora. The Tim Jones Trail (9 km) is our longest trail corridor and is part of the larger Nokiidaa Trail system which can be taken as far north as East Gwillimbury meandering along the East Holland River. Pack a picnic and consider stopping for lunch as you pass through the Aurora Community Arboretum, Lambert Willson Park, and Sheppard's Bush.

Feedery

Brought to you by talented Chefs and local entrepreneurs, the Feedery is a new concept that aims to disrupt the traditional restaurant format by providing quality driven options for the whole family- all under one roof! From poke bowls to smash burgers, soul bowls to chicken sandwiches the food is great and everything is prepared in-house using fresh ingredients. Their amazing signature sauces and dressings are available as retail items so be sure to take some home. Feedery works with some artisan partners to spice up the mix - think empanadas, gelato, cookies, bean to bar chocolates, and often hosts pop-ups introducing fresh new concepts like Montreal-Style Deli and Jerk Chicken.

Feedery is available for dine-in; you can also order take-out or place delivery orders through their website below.

Chungchun Rice Hotdog

Tired of boring old burgers? Not a fan of regular hotdogs? Try something different! Something fun! Try Chungchun Rice Hotdog!

Chungchun Rice Hotdog is a Korean-style hotdog brand that originated in Seoul, Korea. We opened our first location in 2019 and since then have expanded to a total of 46 franchised locations across the country.

Our goal is to bring Korean culture to Canada. We achieve this by crafting our hotdogs using authentic Korean techniques, including the use of glutinous rice batter instead of the traditional wheat batter; which provides a soft sensation, after the initial crunch of your first bite.

The Topsy Goose

The Topsy Goose sports bar and grill is not just about the food and drinks. Our guests can enjoy live music performances, participate in weekly trivia nights, and have fun playing classic arcade games like Pacman and gold machines. Living Assistance Services

Living Assistance Services has more than 20 years of experience providing outstanding home care for seniors and their families. We purposely remain a smaller agency so that our caregivers, seniors and their families enjoy warm, caring relationships with our office staff and service coordinators. It also helps us to be very personal and individualized in our service, always in-touch, 24/7, with our caregivers, seniors and their families.

As a result, many of our seniors, their families and their caregivers create close relationships and remain together not for days or weeks, but for months and years.
